GOLF CLASSIC 2023

Superball Tournament

RULES

1. The tournament will be a 4-player superball format (total team handicap of 45 or greater). On every hole, every member of the team hits a tee shot. The team then selects one of the tee shots to play. All players then play from that position. This procedure is repeated until the ball is holed.
2. Male players shall tee from the white markers. Male players 63 years of age and older shall tee from the yellow/gold tee markers. Women will tee from the red markers.
3. Teams must play a minimum of 2 tee shots of each player on the team. Par threes can be included.
4. Each player has one (1) mulligan and one (1) red tee buster to use for the 18-hole tournament. A player may use his mulligan at any time he chooses during a turn of the team and the team may, as a result of 4 bad shots, play the mulligan ball. However, the entire team does not hit a mulligan ball each time an individual player does, unless the entire team uses its mulligans at that point. A team may not leave the spot of a shot and then return to hit a mulligan. Red tee busters may be used on any hole the holder of the shot desires. A mulligan may not be used on a red tee buster.
5. All lies in fairways may be adjusted by no more than 1 club length and players may play in any order if the ball to be played lies in the fairway. If the ball to be played lies in the rough or hazard, then the ball must be played as is, with the owner of the ball playing first. Each other player must drop his/her ball within 1 club length of the original player's ball. The "other" player's ball may be placed when in a hazard.
6. All ties will be played off on the scorecard beginning with a hole to be named.
7. There will be awards for the longest drive as well as closest to the pin. Holes will be determined the day of the event.
8. All rules of the USGA or local course rules, as applicable, will apply with the 14-club rule in effect.
